# Shaker

---

Albany

Amesbury

Bristol

Cortland

Madison

TW-10716

Featuring clean lines and crisp corners, Shaker doors continue to be a hugely popular design choice. Originating from 18th century America, Shaker styling remains prevalent today as it works extremely well in both traditional and contemporary settings.

*Close up features Cottage door design. Doors shown in Cherry finished in Colonial wiping stain.*

# Modern

Aurora

Savoy

TW-10

Modern kitchens offer a sleek, stylish design solution. By avoiding excessive details, these contemporary doors provide an overall clean and spacious look – offering an escape from today's demanding lifestyles.

*Doors shown in VG Caramelized Bamboo finished in Natural. Kitchen features Amesbury doors shown in Cherry finished in Espresso wiping stain and Sable glaze.*

## Applied Moulding

Churchill

CRP-10161

CRP-10797-Recessed Panel

Luxury kitchens call for extraordinary details and applied moulding doors bring a feeling of dimension and strength to any kitchen layout. The ornate styling of applied moulding designs transforms ordinary concepts into sophisticated spaces.
